How to build your own Effortless Property Empire Lunch Seminar | Thur 16 August

The Australian residential property market is changing.

APRA and ASIC are concerned of a property bubble and are restricting lending to foreigners, expats and even Australian residents, to try and slow the market.

Some segments of the property market are going to fall in 2018, some will stagnate and some will continue to rise.

Do you know what property investing strategy is right for you as there isn't a one size fits all solution?

Is your knowledge coming from what you read or watch in the media or from what is actually happening in the property market?

Join Chris Gray from Your Empire to learn the strategies to build your own property empire.

About the speaker:

Chris Gray is the host of 'Your Property Empire' on Sky News Business Channel and features in major business press and newspapers. He was also the Property Expert on Channel 9's 'MyHome' and most recently seen on '60 Minutes', as well as a guest judge on Channel 10's 'The Renovators'. Chris is also the author of multiple books including 'The Effortless Empire'.

At the age of 22, Chris Gray began his journey investing in real estate semi-retired at the age of 31. Since then he has more than tripled his personal portfolio to well over \$15m and now builds property portfolios for time-poor professionals through his Buyers Agency 'Your Empire'.
