

AustCham Emerging Technology Program Session IV

Tour to Cyberport

Half-day Tour | Fri 16 Nov 2018

About Cyberport:

Cyberport is an innovative digital community with over 900 digital tech companies. It is managed by Hong Kong Cyberport Management Company Limited, which is wholly owned by the Hong Kong SAR Government. With the vision to become a main force in developing the digital tech industry as a key economic driver of Hong Kong, Cyberport is committed to nurturing youth, start-ups and entrepreneurs to grow in the digital industry by connecting them to strategic partners and investors, driving collaboration with local and international business partners to create new opportunities, and accelerating digital adoption amongst SME and corporates.

Cyberport focuses on building key clusters of digital technology, namely FinTech, eCommerce, IoT/Wearables and Big Data/AI to foster the development of Hong Kong into a “Smart City”. With a committed team of professionals providing all rounded value-added services to support our digital community and an array of state-of-the-art tech facilities, Cyberport is the flagship for Hong Kong’s digital tech industry.
