

Professional Development

Property Investment and Finance (PIF)

17th and 18th November 2008, Hong Kong

Property Council Professional Development: Update and Motivate: Register Today!

Graduates of the Property Investment and Finance (PIF) course are equipped to make informed investment decisions and add value to property portfolios.

The PIF course focuses on;

- property capital markets
- structures of real estate investment vehicles
- sources of investment capital
- performance measurement and benchmarking
- valuation methods
- improving total returns; and
- risk management

Attendees develop skills in financial reporting and trust accounting, gain an insight into offshore markets from global experts and benefit from relevant case studies and workshops.
