

A MESSAGE FROM AUSTRALIAN CONSUL-GENERAL

Australian Consulate-General

Hong Kong

Congratulations to AustCham Hong Kong on the Chamber's 35th Anniversary.

AustCham has established a reputation as one of the preeminent chambers in Hong Kong, promoting the Australia-Hong Kong business community, advocating for Australia's trade and investment interests and representing our values here in this dynamic, international city.

Hong Kong today is home to Australia's largest commercial presence in Asia, and our second largest Australian diaspora community.

Over the past 35 years Hong Kong has seen extraordinary political, economic and cultural change.

Throughout it all, AustCham has been a steadfast presence and a pillar of the Australian business and social community.

Congratulations to all the nominees and recipients of tonight's Community Awards – celebrating changemakers in our community for their commitment to corporate social responsibility, gender equity and innovation.

AustCham members have contributed immensely to the contemporary character of Hong Kong, the Australia-Hong Kong relationship and the prosperity of the broader region.

Thank you AustCham, and congratulations on your first 35 years.
